

St. Anthony Greek Folk Dance Groups

January 25, 2007

Dear Parishioners,

The Folk Dance Festival (FDF) is quickly approaching and will be held in Ontario, CA on Feb. 15-18, 2007. St. Anthony's Greek Folk Dance Groups with over 70 youths from our parish are diligently practicing for this exciting, competitive and inspirational weekend of Greek folk dancing with fellow parishes.

Please consider attending this event and/or showing your support by placing a personal ad in our FDF Preview Night program book, available at the FDF Preview Night event on Feb. 10, 2007. Please support our four dance groups by placing a personal ad from your family. Express your love, friendship, best wishes or congratulations to a dancer, the dance program or St. Anthony's church in general.

Select your ad size and personalize the ad with our own message. Photos may be used on full page ads only. Business cards may also be used on an ad.

Thank you for your support.
